Acts 2: 1-4 Reverend John Mavor

Reverend John Mavor reminded us that this is not the end of the story → we are called to be witnesses of the love of God to all people.

1. What might it look like for the church to bear witness to the love of God in the world today? (spreading a pandemic of love to those who have lost their job, or have mental health concerns etc)
2. How does the Holy Spirit empower, equip and enable the church to live the Mission of God?
