

### **Who are we?**

We are part of God's worldwide family and seek to be **alive in Christ** and to live as He showed us, each playing our role and celebrating the different gifts He has given us. Because of His grace to us we **reach out to others in love**. We try to help each other build our relationship with Him and to be all that God has created us to be. In the power of the Holy Spirit we then seek to **make disciples** for His kingdom.

### **What do we value?**

Biblical truth - Engaging worship - Deepening fellowship - Generous hospitality - and Transforming grace

### **What do we do about this?**

We seek to provide excellence in our worship so that people may experience God through the services and respond to His call to mission. We share a compassionate pastoral care program and are known for our hospitality and desire to make a difference to our community.
