

## Prayer for Renewal – Week 6

### Week

#### **Lead us not into temptation but deliver us from evil.**

Temptation. It is something each of us wrestles with on a daily basis, and where we see God's efforts to save us from the tragic results of temptation. And so why do we pray for God not to lead us into temptation when we know He would never do that?

Because it is not that God is leading us into temptation, but we are very good at leading ourselves into temptation.

#### **Let us pray.**

*First, I pray Lord, that you lead me in the right direction towards you. So that I may follow your voice in times when I am facing the wilderness of temptation of my life. And so, I need the guidance of your Holy Spirit to transform me to walk with you every day.*

*I ask you Lord to lead and help me to steer away from temptation. And not have my heart desire towards worldly temptation. I ask you Lord to deliver me from evil, where it has the pleasure in tempting and convincing me with lies about the truth, which can lead me astray of my faith in you.*

*Lord, I humbly ask you to lead me in the path of righteousness and deliver me from all evil that would destroy my soul. Help me Lord to follow you.*

*Lord God, I ask of your forgiveness and your guidance through the right and wrong. Be with me, through your Spirit. Amen*
